---

All,

Attached is a draft three-page briefing on NPRA's request to allow "credit" (e.g., benzene dilution under MSAT2) for the ethanol blended in functionally distributed conventional gasoline.

### Ex. 5 Deliberative Process (DP)

## Ex. 5 Deliberative Process (DP)

John Hannon: I didn't know who you might like to review this so I sent it to you and Roland. Please forward if appropriate.

Thanks lots,  
Dave
